California Grapevine Vol. 30, No. 6
December 2004 - January 2005

...Medium light golden yellow; attractive, forward, intense, toasty, nutty, spicy, slightly honeyed, ripe pear and baked apple aroma with notes of tropical fruit and charred oak full body; rich, plush, spiced green apple flavors; well balanced, lingering aftertaste. Shows very appealing fruit. Very Highly Recommended

Straightforward appely in its fruit tones and taking on both a bit of richness and a hint of spice from its oak, this well-balanced effort is full but never heavy on the palate and its light notes of brightness and candied apples add further to its immediacy.
