## *Vista del Halcon*

2001 Hawk Hill Vineyard Chardonnay

**Renay Santero, January 2003:** (Consultant for local food manufacturers regarding food and wine, panelist for the Santa Rosa Press Democrat "Tasting Room," and judge at the Sonoma-Marin North of the Gate wine competition.)

"This beautiful Chard presents inviting aromas of Asian pears, honey and oak with a hint of peach and apricot. These flavors translate to the wonderfully bright and layered creamy palate topped with a crisp lemon zest. Very focused and balanced with a long finish. A perfect example of how wonderful Russian River Chardonnays can be!"

**"Charles Creek is a *hot new winery* to pay close attention to.**

**Their first offering indicates their commitment to quality."**
